~~Dear Dianne Wheeler,~~ *DIANNE*

I personally wish to thank you for your sponsorship of the NDIA Midwest Small Business Government Contracting Symposium held on 17 and 18 May 2011 in Moline, Illinois. It is through your generosity and assistance that successful events such as these can occur.

The Iowa Illinois Chapter of NDIA periodically sponsors conferences addressing important topics, providing a forum for the exchange of information between Industry and Government on National Security issues with our focus on the industrial base. This was one such event. As you may know, it is largely through proceeds from events hosted by our Chapter that we are both able to sustain our scholarship and donation programs, as well as continue to promote the industrial base. In the past 10 years, we have provided over \$38,000 to community events such as the Wounded Warrior, Honor Flight, Army and Navy Birthday Balls, and Soldier Show. In that same period, we provided scholarships totaling \$70,000. Hard work and the support of sponsors such as you make this possible.

Thanks again!

*THANKS for your
monetary donation AND
sharing your booth!*

Sincerely,

A handwritten signature in cursive script that reads "George".
