Dear Dianne and Women In Defense Members:

Thank you so much for your very generous donation of \$100.00 to the Rock Island Arsenal Women's Club in support of our third annual, "Cards for the Troops" event. It is because of your generosity, and that of others like you, that this endeavor is possible.

Thank you also for your participation this year. After a fun evening of stamping, all cards were sent to our deployed troops so they can mail them back home to their loved ones. With this particular event on September 28th, we have now sent over 5,000 cards in the past three years, and we'll look forward to continuing our efforts in future years. It's a simple gesture that allows our troops to have a tangible connection to the special people in their lives at a time when it's needed the most.

Again, my deepest thanks to all of you for your support with this year's, "Cards for the Troops!"

Sincerely,

A handwritten signature in cursive script that reads "Mary Sue Sipple".
